

FD900X3C

FD24X3C

Features

2.4GHz Wireless Transmitter

Wireless audio allows passengers the freedom to move about the cabin without disrupting their movie or music. The audio transmitter is a great option to avoid expensive audio

- The 2.4 GHz Transmitter allows for a simple installation of audio equipment that eliminates the need for expensive audio hardware in the cabin
- The transmitter box is extremely compact, allowing it to be mounted in the smallest of spaces
- Passengers can move around the cabin without taking off the headset
- Designed to be used exclusively with the FD24X3C wireless headsets

2.4Ghz Collapsible Wireless Headset with Storage Case

Wireless headsets take the interruptions out of your movies or music. Stand up and get a drink without missing a line and without disrupting other passengers not listening to the same thing.

- An unlimited number of headsets can be paired with a transmitter
- 3 Channels means each passenger can select between music, movies, or nothing at all without having to compromise with other passengers entertainment selections
- 2.4 GHz allows for improved sound quality, superior range, and a diminished chance for interference from other sources
- Compact folding design can be stowed easily in a small drawer and the included storage case keeps everything protected
- Adapters included for use in 6.3mm (1/4") plugs, standard 2.5mm plugs, and dual 2.5mm plugs
- Control volume, switch between sources, and power on/off with the buttons conveniently located on the headset
- Powered by two AAA batteries with a low battery-life indicator
- Adjustable headband and comfort ear cushions
- Designed to be used exclusively with the FD900X3C wireless transmitter

Specifications - FD900X3C

FAA/PMA APPROVED, DO-160E 21.B TESTED	
Dimensions	6" x 3.6" x 1.6" (153x91x40mm)
Weight	7 oz (195 g)
Materials	ABS Plastic
	Burn Rating- UL94-5VA

Interface - FD900X3C

Power	28V DC @ 180 mA
Input	15 pin HD D-Sub

Interface - FD24X3C Headsets

Power	2x AAA batteries
Buttons	Vol, Tune, On/Off
Weight	7 oz (195 g)
